**Re: 2015 Lumberton Municipal Election Investigation Referral
Leon Maynor**

Dear SAC Bullard:

Thank you for providing me with a copy of the investigative report you received from Investigator Matthew Martucci, N.C. State Board of Elections regarding the allegations made against Leon Maynor, that he paid individual voters, Eula Mae Brown, Clentel Thompson and Brown, to vote for him in the 2015 Lumberton Municipal Election. After reviewing the file including the accompanying DVD+R, it is my opinion that the information submitted to support the allegations are insufficient to establish probable cause that a crime was committed and are grossly inadequate to support further criminal investigation by your agency.

Sincerely,

Luther Johnson Britt III

Sealey informed that Thompson had been approached on two occasions by an individual, Leon Maynor, who offered to pay Thompson to vote for him. The first occasion occurred about four years ago. Thompson told Sealey that Maynor came by and picked him up in a van and drove him to the voting location. Maynor gave Thompson a voting card which directed Thompson to vote for him (Maynor). In return for voting for him, Maynor gave Thompson three gold coins.

This year, Maynor again approached Thompson. Sealey advised that Maynor gave Thompson a card saying to re-elect Maynor. Thompson voted during the early voting period. Sealey stated that Thompson told him that Maynor paid him for his vote. Thompson said that Maynor paid him, his wife, Eula Mae Brown, and his stepdaughter, Cassandra Brown, \$7.00 apiece to vote for him (Maynor). Sealey advised that he had gone by Thompson's house and observed an "I voted" sticker. Thompson showed Sealey a \$21.00 check from Maynor with the notation "voting citizens" at the bottom. The check was made payable to Eula Mae Brown. Sealey thought the \$21.00 check was made payable to Brown, because Thompson and Cassandra Brown did not have identification cards or driver's licenses to negotiate a check.

Sealey stated that Thompson is an honest person, and he knows Thompson is telling the truth about Maynor paying him for his vote. Sealey commented that he told Thompson that he was "worth more than that (\$7.00)."

Sampson informed that she went to vote on 10/22/2015. Sampson drove herself to the polling place. Sampson went with a woman whose name she could not recall.

Sampson stated that she worked for Maynor to haul people to the polls so they could vote. She hauled voters in her Chevy Envoy sport utility vehicle (SUV). Sampson advised that she received payments of \$100.00 and \$75.00 from Maynor for hauling voters during the most recent election. Sampson advised that Maynor paid her with checks. Sampson stated that she had already voted at the times she received the payments from Maynor. Sampson informed that she hauled 26 people to the polls to vote. However, Maynor only paid her for hauling 22 people. Sampson stated that Maynor knocked four people off her list of people she had hauled. Maynor claimed that two of the people Sampson had hauled to the polls, Christina Norris and Tom Locklear, did not vote for him. Maynor asserted that Sampson did not haul two sisters, Olivia Demry and Tina Demry, because the dates they voted did not match up with the dates Sampson claimed to have hauled them to the polls. Sampson advised that Maynor gave her a sample ballot on which his name was marked along with another man who Sampson said won the mayor's race. Sampson said that she told the people she hauled to vote for Maynor and the other man marked on the sample ballot.

Sampson explained that she took Christina Norris to vote. When Sampson showed Maynor her list of people she had hauled, Maynor saw Norris's name and said, "She let me know that she didn't vote for me, so she's gotta come off the list." Sampson commented that it was not her fault that Norris did not vote for Maynor. Sampson also said that she had spoken with Norris who told her she did not tell Maynor that she did not vote for him. Sampson stated that Maynor "screwed" her by not paying her for

hauling Norris. Sampson mentioned that Norris's daughter, Licole Norris, hauled voters for Maynor's opponent, Laura Sampson.

Wendy Sampson advised that she hauled 51 people to vote in an election for the Lumbee Tribe. Sampson was paid \$5.00 "per head" by a Mr. Harvey. Sampson also received a bonus for hauling the most voters.

Sampson stated that she was not aware of Maynor paying voters to vote for him. Sampson indicated that Maynor did not actually know who she was hauling to the polls until seeing her list after the fact.

Sampson informed that a woman named Bree (Last Name Unknown) also hauls for Maynor. She did not know how much Maynor pays Bree for hauling.

Sampson advised that her father, Von Ray Fields, used to be a hauler. She stated that her father had retired from hauling.

Sampson stated that Laura Sampson picked up her husband, John Sampson, at the house of his mother, Doris Burney. Laura Sampson then took John Sampson to vote. Wendy Sampson informed that John Sampson can be reached at telephone number (910) 674-6956.

Wendy Sampson commented that Maynor and Laura Sampson "dangle money" over people in the area, because they know they are poor.

General Account Disclosures

I (or we) as depositor(s) have received and read a copy of the Rules and Regulations governing this account and these services and agree to adhere to same. It is agreed that any and all accounts which I (or we) now have or may at any future time have which reference this account will be governed by this signature authority. With respect to joint accounts (all of which have the right of survivorship), any of us has the full power and authority to authorize any additional accounts which reference this signature authority. I (or we) also certify that I (or we) am eligible for membership in the Credit Union and that the ownership of the account(s) being requested is valid under the current bylaws of the Credit Union.

With respect to Joint Accounts: We understand that by establishing a Joint account under the provisions of North Carolina General Statute 54-109.53 that: 1. The Credit Union may pay the money in the account, or on the order of, either or any of the depositors named in the account; and 2. Upon the death of one joint owner, the money remaining in the account will belong to the surviving joint owners and will not pass by inheritance to the heirs of the deceased joint owner or be controlled by the deceased joint owner's will. We DO elect to create the right of survivorship in this account.

In respect to Payable on Death (POD) Accounts: I (or we) understand that by establishing a Payable on Death account under the provisions of North Carolina General Statute 54-109.57A that: 1. During my (or our) lifetime I (or we), individually or jointly, may withdraw the money in the account; and 2. By written direction to the Credit Union, I (or we), individually or jointly, may change the beneficiary or beneficiaries; and 3. Upon my (or our) death, the money remaining in the account will belong to the beneficiary or beneficiaries, and the money will not be inherited by my (or our) heirs or controlled by will.

With respect to Personal Agency Accounts: I (or we) understand that by establishing a Personal Agency account under the provisions of North Carolina General Statute 54-109.63 that the agent named in the account may: 1. Sign checks drawn on the account; and 2. Make deposits into the account. I (or we) also understand that upon my (or our) death, the money remaining in the account will be controlled by the will or inherited by the heirs of the last account owner to die, OR released to any POD beneficiary(ies). If a POD account, I (or we) elect to extend the authority of my (or our) Personal Agent to act on my (or our) behalf in regard to the account notwithstanding my (or our) subsequent incapacity or mental incompetence.

With respect to Uniform Transfer to Minors Accounts: I, as custodian, understand that I am establishing a Uniform Transfer to Minors account under the provisions of North Carolina General Statutes, Chapter 33A, the North Carolina Uniform Transfers to Minors Act.

Under penalty of perjury, the depositor(s) certifies that I (or we) am a U.S. person (including a U.S. resident alien). I (or we) further certify that the taxpayer identification number (TIN) listed for this account and for any accounts I (or we) now have or may have at any future time have which reference this account is correct for the depositor and that the depositor is not subject to backup withholding either because the depositor has not been notified that the depositor is subject to backup withholding as a result of a failure to report all interest or dividend, or the Internal Revenue Service has notified the depositor that the depositor is no longer subject to backup withholding.
